## Children's Escape Room

Monday, July 29-  
Friday, August 2

The Summer Reading Program Escape Room is back! The theme this year: Escape the Space Shuttle 13X.

You're walking through the woods and stumble upon an old space shuttle that's crashed in the forest. Curious, you walk inside, but as soon as you cross the threshold, the door slams shut and a voice announces, "Preparing to return to home planet." You have one hour to escape the shuttle before you get launched to another planet, away from Earth!

*Register online to reserve your spot today!*
