Children's Room Program Schedule

Lullaby Lapsit for 0-2 year olds will meet every Friday at 11 a.m. Complete with tickle songs, nursery rhymes and poems, this program lasts about 45 minutes with the last 15 minutes set aside for parents to read to their children.

Craft Days are held the first and third Saturdays of the month. Come into the Children's Room any time, daytime, and make or take a craft (while supplies last).

***For all registered programs:** If someone misses two weeks in a row without calling to keep their place, we must call the next person on the waiting list. Those waiting have first opportunity to register for the new session. All participants must re-register for each new session.

Fine Reductions

In answer to patron's concerns regarding high fees that can incur on patron accounts, we are pleased to announce we are cutting overdue fines for DVDs and Video Cassettes to 50 cents/day per item. Why have fines at all? Fines are meant to discourage late return of library materials. Library materials are meant to be shared and overdue materials deprive others in need of those materials.

We are making this policy change in response to a number of patrons who have expressed the concern that a high accumulated fine amount can be a burden to pay. To help reach this objective, the borrowing privilege is suspended when fines reach \$10 (or when billing for lost materials reaches or exceeds this amount). Fines for overdue materials will continue to accumulate, however. A patron may resume borrowing when the total fine is reduced to less than \$10. We hope this policy change regarding lower fines/fees will be a "win/win" situation for everyone.
