Green Thumbs Needed

New Library Garden Club is forming!

You may have noticed the beautiful landscaping happening on the library grounds in recent weeks. Our library will be a showcase of plants and flowers for everyone to enjoy. We are starting a garden club to help us keep our new gardens looking their best. We also plan to have some gardening related programs and discussions. If you are interested in participating, please contact Amy at amyfriedman@rodderslibrary.org or call at 886-6030. Please let her know when you are available -- daytime, evenings, or Saturdays. We will arrange meeting times soon, after hearing from interested people.
