Vignettes of Life is conceived and directed by award winning Manchester actress Laura Prior. The cast of young adults in their late teens and twenties weave together show tunes both classic and new to tell stories of the crazy, sad, confusing, joyful, lonely, comical roller coaster that is modern life.

There is no admission fee to the performance at RML, but audience members are asked to consider bringing donations for the Hudson St. Vincent de Paul Society Food Pantry so the singers can continue with their mission to perform to benefit local people in need.
